If your address has been changed for 911 purposes, please update DAMA with this information, Thank you.

## COMPOSTING FOR RESIDENTS

### Rules for composting:

- For residents only of Dallas Township, Kingston Township, Dallas Borough, Lehman Township, Jackson Township, and Harvey's Lake Borough.
- **No contractors and/or commercial landscapers**, no construction debris, no plastics, no metal, no lawn furniture, no rocks or stones, no stumps, no painted, stained or pressure treated wood.
- Only clean leaf and yard waste, remember this material will be applied to resident's lawns and gardens.
- The composting program operates on funds from the trash bill, your continued support greatly keeps the cost down, material clean, and the program operating correctly.

### Compost Program Update:

DAMA's consolidated, PA DEP permitted composting site is open for residents. The site is located on Route 118, 1.75 miles from the intersection of route 118 and route 415. Residents will still be able to drop-off leaf and yard waste at their municipalities and pick up compost. All processing and composting of material will be completed at the Route 118 site.
