Dallas Borough Curbside Yard Waste Collection & Fall Leaf Pick Up Schedule

The last scheduled pick up for those residents with Dallas Borough curbside yard waste collection and recycling permits will be **October 29, 2024**. If you have additional yard waste to be recycled beyond that date, you can drop it off at the composting facility located on State Route 118. Please contact DAMA at 570-696-1133 for hours of operation.

The 2024 Dallas Borough Fall Leaf Collection Program will begin **November 6, 2024**. Dallas Borough shares the leaf vacuum truck with two other municipalities and has limited usage of the truck. Our Road Department will bring the leaf vacuum to each street in the Borough **ONE TIME** during the collection program. If time and usage allow, we will **TRY** to bring the vacuum truck back to those streets which had the earliest visits.

Leaves only! No grass clippings, branches, other yard waste or animal waste!!! The vacuum equipment will not function properly if residents commingle yard waste with the leaves.

DO NOT PUT LEAVES ON THE ROADWAY OR WITHIN GUTTERS/SWALES! This creates a hazard for drivers and blocks storm drains. **Citations will be issued and, if need be, leaves will be pushed back into your yard.** Keep leaves on your grass at the curbside in long thin rows approximately three feet wide to facilitate collection.

Do NOT rake leaves out for curbside pick-up after the leaf vacuum truck has already been to your street. If the leaf vacuum truck has already been on your street once, residents need to bag leaves for pick up. If you did not have your leave out by November 6th and are not sure if the truck has been to your street, call our office to verify.

If you have additional leaves or missed the vacuum truck's visit to your street and want to dispose of leaves without waiting for Dallas Borough to pick up bagged leaves, you can take leaves to the composting facility located on State Route 118. Please contact DAMA at 570-696-1133 for hours of operation.

Please know the Road Department does their best to vacuum as many leaves as possible for our residents. However, we cannot wait until all trees have dropped leaves to start our collection due to likely snow accumulation. Please contact the Dallas Borough administrative office at 570-675-1389 with any questions concerning the Dallas Borough 2024 Fall Leaf Collection.
