Dear Property Owner/ Resident:

Most owners and residents do a wonderful job of keeping the sidewalks clear of snow and ice during the winter months. This notice is being sent to all addresses of property contiguous to sidewalks within Dallas Borough in hopes of pro-actively reaching out to residents who may be unaware of the following regulations:

Snow and Ice Removal on Sidewalks

It shall be the duty of the owner, tenant or occupant of any lot or land or real estate in the Borough of Dallas to clear the entire width of the sidewalks contiguous thereto of all snow or ice within twenty-four (24) hours after the cessation of any storm or fall of snow.

However, in the event that snow and ice on a sidewalk have become so hard or that the snow and ice cannot reasonably be removed, the person or entity charged with removal shall take steps to make the sidewalk safe for travel and as soon as possible thereafter as the weather permits said sidewalk to be thoroughly cleaned.

Failure to comply may result in the assessment of fines, penalties and citations.

Full copies of all Borough Ordinances are available for viewing at the administrative office. Thank you for your attention and anticipated cooperation.

Very truly yours,

Tracey M. Carr
Borough Manager
